South Australia's State Sponsorship Interim Occupation List (September 2010)

The following list includes occupations that Immigration SA will consider for Sponsorships until the State Migration Plan is implemented. The occupations listed below reflect general skills shortages in South Australia and do not relate to a specific job vacancy, nor represent a guarantee of a job in a specific occupation. State Sponsored migrants must compete with all people in the labour market as part of the normal competitive selection process.

ANZSCO / ASCO – If your skills assessment has an **ASCO** code, please visit the DIAC website to check DIAC's Endorsed **ANZSCO / ASCO** correlations - http://www.immi.gov.au/skilled/_pdf/sol-schedule3.pdf

Special requirements - Some occupations have additional requirements that you must meet in addition to all other sponsorship requirements. If there is no special requirement listed, you are required to meet the IELTS requirement of 6.0 in each of the four bands.

If you hold a valid passport from, and are a citizen of, the United Kingdom, Canada, New Zealand, United States of America, or the Republic of Ireland, **you must provide an IELTS test result if the requirement is 7.0 or higher.** Where the requirement is less than 7.0 no IELTS test result is required.

Skills Recognition - The Australian Skills Recognition Information site <http://www.immi.gov.au/asri/a-z.htm> will help you to find out how to get an assessment of your qualifications, skills or experience gained overseas. You can also find State-specific licensing and registration requirements to perform your occupation in South Australia.

Off-list Permanent Sponsorship – Will be available to some onshore applicants, more details available on this website.

Your occupation must be on this list and you must meet all other State Sponsorship criteria. If your occupation is not on this list, it is not available for sponsorship at this time.
